***May you be inspired and creative in your childhood and education, and easily find the motivation, energy and focus required to ensure success in all your studies and other endeavours to gain satisfaction, creativity, fulfilment, inspiration and reward through your growth and development in life***

***May you enjoy the gift of time with your parents, family members and friends, creating a treasure chest of beautiful nostalgic golden memories, increasing your confidence and self esteem to enable you to be empowered, capable and recognised in life and may you cultivate the gift of a circle of loving, happy, honest, trustworthy, caring, supportive, loyal and peaceful friendships and an active, fun and pleasurable social life***

***May you learn to listen and speak your truth with tact and diplomacy and use your voice with volume, timing and expression to help build good understanding relationships in all aspects of your life and easily achieve your purpose***

***May you be blessed with harmony, peace, balance, good health, high levels of fitness, energy and vitality, and live a long, happy and fulfilling life.***

***We give thanks for all these blessings and thanks for their provision and ask that this or something better may now manifest for the highest good of all concerned***
